

SCUOLA LEONARDO DA VINCI® MILAN

The City

Milan is the city that never sleeps and Italy's creative capital. The most international of all Italian cities, it offers the possibility to meet people from all around the world who are here studying, working and having fun together. The fashion addicted will feel right at home here. Milan is also the main destination and a necessary stop for all of those that would like to get to know and taste the real Italian Style. In Milan, what counts is a lifestyle and each detail can make a difference.

Most of Milan's sights are situated in the city center. "*Piazza del Duomo*" is the city's belly button. It is dominated by the Cathedral, "*il Duomo*", which is the second largest Gothic church in the world. Every itinerary starts from here and returns to it. Not far from the Cathedral you'll find the most important Opera House in the world, "*La Scala*", waiting for you. This is the place that hosted all the major voices of the past two centuries, among them "*la divina*" Maria Callas.

Just a few steps from "*La Scala*" you will find the "*Brera*" district, the oldest and the most characteristic area in Milan. Walk into it and you will feel like you've been transported into another epoch, with narrow streets, small coffee bars, musicians playing classical music, and tarot card readers waiting to predict your destiny.

Our school is located in the historic centre of Milan, in a modern building only 10 minutes' walk from Piazza del Duomo and just a few steps from Bocconi University. The district is known for its liveliness and style. Preferred destination of foodies thanks to countless restaurants to suit every budget and lovers of culture and entertainment attracted by theatres, bookshops, vintage stores ...
